**The Junior League of Corpus Christi, Inc.'s  
2<sup>nd</sup> Annual A Night in Texas  
Saturday, November 3, 2018  
L&F Distributors' Warehouse**

Dear Friends,

Compassion is the bedrock of a healthy society and there is no denying that Junior League of Corpus Christi Inc. has been wholeheartedly committed to building a better community for 75 years. An array of educational and impactful projects and programs, deep-rooted partnerships, and our distinguished community landmarks are proof. Beginning in the 2015-2016 Junior League year, our organization implemented a three-year community action plan targeting early childhood development. Our programs emphasize literacy, nutrition, cognitive skills, and physical activity. To parallel, members experience a variety of trainings to help expand their knowledge of our beautiful city and enhance their leadership skills.

Our second annual event, **A Night in Texas**, will be an evening of amazing food by the Texas Chefs Association, enjoyable entertainment, and FUNdraising! The inaugural event was a smashing success, raising proceeds to support several community outreach programs focused on literacy, S.T.E.M., and Done in a Day projects that target a specific community need.

**A Night in Texas** provides an excellent opportunity for sponsors to showcase their brand in the Corpus Christi community. Your organization can contribute to the success of our event with either sponsorship or in-kind support services. So, how can you get started?
